# Powersport Care

# Powersport Care *Mechanical protection for new powersport vehicles*

Powersport Care offers comprehensive mechanical protection for a wide range of powersport vehicles. Whether you ride an on-road motorcycle, ATV, watercraft, or golf cart, this plan is tailored to meet the needs of all enthusiasts.

With Powersport Care, you can enjoy peace of mind and confidence knowing your vehicle's most critical components are protected throughout your adventures.

COVERAGE OPTIONS	Engine	Transmission	Drive Axle	Seats & Gaskets	Heating & Cooling	Electrical	Braking	Suspension	Steering	Fuel Delivery	All Parts (Exclusionary)
------------------	--------	--------------	------------	-----------------	-------------------	------------	---------	------------	----------	---------------	--------------------------

## Maximum *New & Used*

## Additional Benefits *Included in all plans*

- ✓ **Deductible Discount** *if returning to selling dealer for covered repair*
- ✓ **Substitute Transportation Reimbursement** *for covered on-road motorcycle repairs*
- ✓ **Trip Interruption Reimbursement** *for covered on-road motorcycle repairs*
- ✓ **Towing Reimbursement** *for covered on-road motorcycle repairs*
- ✓ **On-Water Towing Reimbursement** *in the event your watercraft needs to be towed*
- ✓ **Lift-Out Reimbursement** *in the event your watercraft needs to be removed from the water*

## Trailer Package Optional Add-On

Enhance your protection with the optional Trailer Package, designed specifically for customers who purchase a motorcycle or powersports trailer at the time of their vehicle purchase. This add-on provides comprehensive coverage for essential trailer components, giving you peace of mind on and off the road.

### Covered Components Include:

- **Surge and Electrical Trailer Brakes:** Includes the master cylinder, surge actuator system (electric or hydraulic), backing plates, wheel cylinders, clips, and retainers (excludes friction materials).
- **Trailer Suspension:** Covers coil and leaf suspension springs, axle shafts, spindles, and bearings.
- **Wiring:** Protects your trailer's wiring harness and connector plugs.

## Maximum Plan Example Coverages

**All Parts (Exclusionary):** Maximum Plans cover all parts of the vehicle except for parts listed under the Exclusions from Coverage section of the agreement.

## Examples of Covered Components

**Engine Components:** Engine block and/or replaceable cylinder sleeves, cylinder heads and valve covers (if damaged by an internally lubricated part), all internally lubricated parts contained within the engine, including, without limitation, valves, valve springs, valve guides, intake manifolds, pistons, connecting rods, wrist pins, main bearings, rod bearings, crankshaft, camshaft, lifters, cam bearings, oil pump, rocker arms, pushrods, timing chain, timing gears, timing cover, flywheel, flywheel ring gear, engine mounts, and all internally lubricated parts of the turbocharger/supercharger, including, without limitation, vane shafts, bearings, bushings, waste gate, and housing (if damaged by an internally lubricated part).

**Transmission Components:** Transmission case (if damaged by an internally-lubricated part) and all internally-lubricated parts within the transmission case, including, without limitation, gears, bearings, intermediate gears, internal shift mechanism, transmission mounts, and internal drive chains.

**Drive Axle Components:** (Shaft driven only) transaxle housing and final drive housing (if damaged by an internally lubricated part) and all internally lubricated parts of the differential housing, including, without limitation, axle shafts, constant velocity joints, universal joints, drive shafts, supports, retainers, bearings, locking hubs, hub bearings, and locking rings.

**Primary Drive:** Primary drive case (if damaged by an internally-lubricated part) and all internally-lubricated parts (except clutch and hub assemblies) contained within the primary drive case, including, without limitation, all gears, bearings, internal drive gears, internal drive chains, and internal selector mechanism.

*This brochure is for marketing purposes only. Please see your agreement for complete terms, coverage, and exclusions. Certain additional benefits are provided to covered claims with on-road vehicles only.*
