

EV Care

Electrical & Mechanical protection for new & pre-owned vehicles

Enjoy your ride, worry free.

Prosidium's **EV Care** extends the coverage of

your automobile's factory warranty with longer, more comprehensive options.

Prosidium EV Care is an electrical & mechanical protection for new and used electric vehicles. EV Care is designed with electric vehicles in mind and helps to cover the cost of unexpected

breakdowns in most components. In addition to protecting the electrical & mechanical components of your vehicle, EV Care provides several additional benefits to add extra peace of mind.

COVERAGE OPTIONS	Transmission	Drive Axle	Seals & Gaskets	Air Conditioning	Heating & Cooling	Electrical	Braking	Suspension	Steering	All Parts (Exclusionary)
Maximum <i>New & Preowned</i>										
Maximum Wrap <i>New Only</i>	— Manufacturer Warranty —									

Additional Benefits *Included in all plans*

- ✓ **24-Hour Roadside Assistance***
 - Towing Service
 - Flat Tire Change
 - Emergency Battery Charge Service
 - Key Lockout Service
- ✓ **Substitute Transportation**
- ✓ **Trip Interruption Service**
- ✓ **Business Use option available (includes Rideshare Services like Uber & Lyft)**
- ✓ **Deductible Discount if returning to selling dealer for covered repair**
- ✓ **Hybrid option available**
- ✓ **Lift Kit option available (up to 8")**

*Provided by Saferide Motor Club, Inc. 833-397-4212

EV Care

Electrical & Mechanical protection for new & pre-owned vehicles

Maximum plan covers all parts (Exclusionary):

Covers all parts of the vehicle except for parts listed under the Exclusions from Coverage section of the agreement. Parts included but not limited to:

Electric Drive System Components: Drive motor, drive generator, drive motor mount, drive motor rotor, drive motor coolant pump, high voltage battery, voltage converter, voltage inverter

Transmission Components: Transmission case, transfer case, torque converter, and all internally lubricated parts contained within the cases, transmission position sensor and switch filler tube and dipstick, linkages and transmission mounts.

Drive Axle Components: (Front & Rear) Differential housing, trans-axle housing, final drive housing, and all the internally lubricated parts of the foregoing, axle shafts, constant velocity joints (except when CV boot is torn, perforated or leaking), universal joints, drive shafts, locking hubs, hub bearings, locking rings, supports, retainers and bearings.

Air Conditioning Components: (Factory Installed Units Only) High voltage air conditioner compressor, electrical HVAC actuators, condenser, evaporator, expansion valve, accumulator, orifice, blower motor, temperature control programmer, high/low cut off switch and receiver/dryer.

Heating/Cooling Components: Water pump, auxiliary water pump, thermostat, radiator and mounting brackets, cooling fan motor, fan blade, fan clutch, fan shroud and fan controller module, coolant recovery unit, blower motor and heater core.

Electrical Components: Generator, voltage regulator, ignition switch, lock and tumbler, brake light switch, wiper motors, horn button and horns, manually operated switches, power door locks, window motors and regulators, mirror motors and controls, power antenna motor, power seat motor; cruise control engagement switch; turn signal switch, wiper delay switch and controller, wiper/washer controller and pump, power sunroof/convertible top motor and switches, relays, gauges, EV powertrain control module, instrument cluster, keyless entry system, and electronic anti-theft device (factory installed only).

Braking Components: Master cylinder, power assist booster, wheel cylinders, combination valves, metal hydraulic lines and fittings, disc calipers, backing plates, springs, clips, retainers, and electronic anti-lock brake system (ABS) and relays, parking brake linkage and cables and rear actuators.

Suspension Components: Struts, mounting plates, retainer and bushing, upper and lower control arms, control arm shafts and bushings, the upper and lower ball joints, steering knuckles, wheel bearings, stabilizer shaft, linkage and bushings, torsion bars, spindle and spindle supports, radius arm and bushings, coil and leaf springs, strut bar and bushing.

Steering Components: Gear housing and all internally lubricated parts, including the rack and pinion, power steering pump, main and intermediate shafts, couplings, cooler and cooler lines, power cylinder and pitman arm, idler arm, tie rod and tie rod ends and control valve.

Seals and Gaskets Coverage: Seals and gaskets are covered for all listed parts, provided the vehicle has 125,000 miles or less at the time of purchase.

Maximum Wrap

All Parts (Exclusionary): Maximum WRAP Plan covers all parts of the vehicle except for parts listed under the Exclusions from Coverage section of the agreement and components covered under the Manufacturer's EV Warranty including but not limited to Electric drive systems and the high voltage battery.

This brochure is for marketing purposes only. Please see your agreement for complete terms, coverage, and exclusions.
