Paintless Dent Repair

Minor dents and door dings that are removable by paintless dent repair techniques are covered. This permanently removes dents and dings without harming the vehicle's factory finish. Hail damage is covered* and there are no limitations on the number of times the process can be used.

Windshield Protection

2 levels of coverage - see your agreement for details

Repair coverage: A permanent, powerful resin is used to repair cracks, stars and chips less than 6" in the front windshield caused by a road hazard.

Repair/Replacement coverage: If the damage caused by a road hazard is not repairable, the front windshield will be replaced if Repair/Replacement coverage is selected on your agreement.

Key Replacement

If your keys are lost, stolen or damaged, this covers the cost to replace, repair, and program keys and transponders. Up to \$800 per occurrence for the term of your agreement. This benefit also covers vehicle lock-out and home lock-out service, towing assistance, and additional key replacement on approved claims up to \$100 per occurrence.

Interior Protection*

Treated areas of the interior of your vehicle are protected; vinyl, leather and carpet. Should staining occur due to food, drink, pets, gum, lipstick, crayons, etc. the damaged area will be professionally cleaned, reconditioned, repaired or replaced free of charge and retreated.

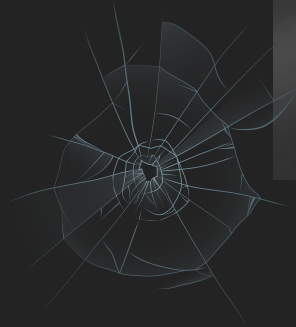

Rips & Tears provides coverage for up to three (3) repairs for the life of your term. Does not cover punctures or burns.

Exterior Protection*

Exterior surfaces treated with paint protection product will retain its high luster and shine protecting against bird droppings, road salt, de-icing agents, insects, exposure to the sun, hard water etching, tree sap, acid rain, industrial fallout or loss of gloss. Should the finish be damaged your vehicle exterior will be repaired through professional detailing or repainted if necessary and retreated free of charge.

*Hail damage covered in most plans. Please see your agreement for coverage.
