

Wear Shield

Specialized maintenance coverage for new vehicles

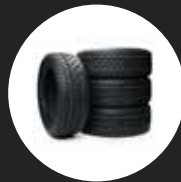

Prosidium Wear Shield offers protection for parts not typically covered in a manufacturer's warranty or a vehicle service contract – such as tires, brake pads and brake rotors – and includes 24-hour Roadside Assistance.

COVERAGE OPTIONS	Tires	Brake Pads	Brake Rotors	24-Hr Roadside Assistance* Included in all plans
Tier 1	2 	Front		<ul style="list-style-type: none"> ✓ Towing Service ✓ Flat Tire Change ✓ Emergency Gas Delivery ✓ Battery Jump Service ✓ Key Lockout Service
Tier 2	2 	Front	Front	
Tier 3	4 	Front & Rear	Front	

Tires

Replacement of two or four tires are included, depending on the plan you choose.

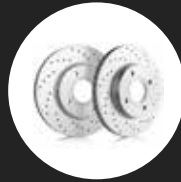

Brake Pads

One instance of replacing the brake pads is provided. Just the front pads or all pads will be replaced, depending on the plan.

Brake Rotors

The front rotors will be replaced once during the term of the plan for Tier 2 and Tier 3 options.

*No deductible or co-pay is required if you return to the selling dealership's service department or affiliate for service**

Enroll today to ensure today's service department rates for parts and services throughout the term of the plan

Parts are eligible for replacement when wear tolerances have exceeded the manufacturer's specifications

**The cost of covered services vary between repair facilities and may exceed the allowable amounts for covered services based on the selling dealership's fees.*
